Our fitness and swimming pool are open. We are pleased to inform that massages are also possible.

One can make a reservation via www.massagewestduin.nl.

Welcome to sea and beach

By requesting your details when booking, we are able to shorten the administration at check in and therefore have more time to answer any questions in regards to your stay. One can also use our '**online check in**'. By using this option you can also make a reservation for breakfast in advance.

Once your room is ready (guaranteed after 3 PM) you receive the key for your room.

During the check in we ask for a (pre)payment. By doing so, you can use our 'Quick Check Out' option. This means you only have to drop off your key during your departure.
